RE: Interlocal Service Agreement between Johnson County Board of County Commissioners and the city for the Home Repair Program

Attached is the subject Interlocal Service Agreement. It provides a grant of \$48,000 to the county to provide home repair services for income-eligible Overland Park homeowners. The program is designed to provide assistance with repairs that, if left unattended, would have a direct impact on health and safety. These include repairs to the home's mechanical systems and modifications to make the home more accessible for the disabled. Section VII, Property Maintenance Exception, of the Agreement also provides assistance to income-eligible homeowners to correct property code violations as cited by Neighborhood Preservation. The grant was approved by the Governing Body as part of the FY 2003 Community Development Block Grant (CDBG) Program.

The Agreement is written in accordance with the terms and conditions of the CDBG Program.

Staff recommends approval of the Agreement between Johnson County Board of County Commissioners and the city for the Home Repair Program.

Sincerely,

Florence M. Erickson
