RE: Interlocal Service Agreement between Johnson County Board of County Commissioners and the city for the Home Revitalization Program

Attached is the subject Interlocal Service Agreement. It provides a grant of \$28,000 to the county to provide home revitalization services for income-eligible Overland Park homeowners. The program is designed to provide assistance with repairs that, if not addressed immediately, would adversely affect the health and safety of the homeowner, or if not remedied, would cause significant damage to the structure. These repairs are limited to complete tear-off and replacement of leaking roofs, replacement of furnaces certified defective and/or central air conditioning systems for health reasons, or the replacement of electrical systems certified defective or inadequate. The grant was approved by the Governing Body as part of the FY 2003 Community Development Block Grant (CDBG) Program.

The Agreement is written in accordance with the terms and conditions of the CDBG Program.

Staff recommends approval of the Agreement between Johnson County Board of County Commissioners and the city for the Home Revitalization Program.

Sincerely,
