RE: Interlocal Service Agreement between Johnson County Board of County Commissioners and the city for the Minor Home Repair and Revitalization Program

Attached is the subject Interlocal Service Agreement. The Agreement provides a grant of \$100,000 to the county to provide home repair services for income-eligible Overland Park homeowners. The program is designed to provide assistance with repairs that, if left unattended, would have a direct impact on the health and safety of the homeowner and the stability of the house. In addition, Section VII, Property Maintenance Exception, of the Agreement provides assistance to income-eligible homeowners to correct property code violations as cited by the Community Planning and Services Division of the Planning and Development Services Department. The grant reflects the proposal approved as part of the FY2008 Community Development Block Grant (CDBG) Program.

The Agreement is written in accordance with the terms and conditions of the CDBG Program.

Staff recommends approval of the Agreement between Johnson County Board of County Commissioners and the city for the Minor Home Repair and Home Revitalization Program.
