INTRACITY COMMUNICATION

April 23, 2009

TO: The Governing Body

RE: HOME Consortium Cooperation Agreement and Memorandum of Understanding between the Johnson County Board of County Commissioners and the City of Overland Park for fiscal years 2010, 2011 and 2012.

The subject documents will renew our participation in the HOME Program for 2010 through 2012. The city has participated in this program since 1995.

The HOME Program is a major housing rehabilitation program for income eligible homeowners. Johnson County Housing Services administers the program. The city's commitment is to provide the 25% match for each Overland Park home rehabilitated under the program. The match is a Federal requirement and is paid based on expenditures made. The funds are paid out of the City Manager's budget.

The terms and conditions of the agreement and memorandum are unchanged from the terms and conditions that are currently governing the program.

Staff recommends approval of the HOME Consortium Cooperation Agreement and Memorandum of Understanding between Johnson County and the city for Fiscal Years 2010, 2011 and 2012.

Sincerely,
