If all bids exceed the estimated cost of the Improvement, then either OVERLAND PARK or LENEXA shall have the right to reject the bid. In such case, the project shall rebid at a later date.
- B. Submit to LENEXA on or before the 10th day of each month, or as received, estimates of accrued costs of constructing the Improvement for the month immediately preceding the month the statement of costs is received; provided that LENEXA shall within thirty (30) days after receipt of a statement of costs as aforesaid, remit their portion of the accrued costs to OVERLAND PARK as herein agreed.

- F. OVERLAND PARK shall require that any Contractor provide a two-year performance and maintenance bond for the Improvement. As Administrator, OVERLAND PARK will, upon request of LENEXA, make any claim upon the maintenance bond or performance bond and require that the Contractor fully perform all obligations under the performance and maintenance bonds, and this obligation shall survive the termination of this Agreement and shall be in force and effect for the full term of the performance and maintenance bond.
- G. OVERLAND PARK shall include in contracts for construction a requirement that the Contractor defend, indemnify and save OVERLAND PARK and LENEXA harmless from and against all liability for damages, costs, and expenses arising out of any claim, suit or action for injuries or damages sustained to persons or property by reason of the

acts or omissions of the Contractor and the performance of his or her contract.
