INDEX

1 – Title Sheet

I - Roadway and Storm Sewer Construction:

2	–	Concrete Thoroughfare Section	21	–	Street Repair
3	–	Asphalt Thoroughfare Section	22	–	Curb Inlet / Curb Inlet Frame
4	–	Concrete Street Section	23	–	Area Inlet / Area Inlet Frame
5	–	Asphalt Street Section	24	–	Junction Box
6	–	RE District Ditch Street Section – Concrete	25	–	Precast Manhole
7	–	RE District Ditch Street Section – Asphalt	26	–	Manhole Casting
8	–	Unimproved Thoroughfare Modification	27	–	End Section Toewall
9	–	Concrete Curb with Concrete Pavement	28	–	Metal Handrail
10	–	Concrete Curb with Asphalt Pavement	29	–	Concrete Collar
11	–	Concrete Curb with Aggregate Base	30	–	RCP Installation
12	–	Roundabout Details	31	–	Integral Sidewalk and Retaining Wall
13	–	Concrete Joint Layout	32_a	–	Sidewalk & Sidewalk Ramp
14	–	Thoroughfare Median Nose	32_b	–	Sidewalk & Sidewalk Ramp
15	–	Thoroughfare Paver Stone Median Nose	32_c	–	Sidewalk & Sidewalk Ramp
16	–	Thoroughfare Widening and Curb Replacement	33	–	Horizontal Directional Drilling Installation
17	–	Commercial Entrance	34	–	Land Corner Monument and Box
18	–	Residential Drive	35	–	Bridge Number Plaque
19	–	Underdrain for Concrete Roadway			
20	–	Underdrain for Asphalt Roadway			

II - Erosion and Pollution Control:

36_a	–	Temporary Sediment Basin
36_b	–	Temporary Sediment Basin
37	–	Temporary Sediment Barrier (Curb Inlet)
38	–	Temporary Sediment Barrier (Area Inlet & J-Box)
39	–	Temporary Sediment Trap
40	–	Temporary Diversion Berm
41	–	Stream Diversion Channel
42	–	Temporary Stream Crossing
43	–	Temporary Slope Drain
44	–	Temporary Ditch Check
45	–	End Section Protection
46	–	Silt Fence
47	–	Filter Berm
48	–	Erosion Control Blankets & TRMs
49	–	Construction Entrance
50	–	Erosion and Pollution Control General Notes

REVISED: May, 2021
