- 2) Public Service projects will not exceed 15% of the total allocation.

The city of Overland Park determined that if the 2023 CDBG allocation exceeds the anticipated \$750,000, the grant funding will be calculated as follows:

- 1) The allocation for all funded organizations will be increased on a pro-rata basis for the amount above \$750,000;
- 2) Awards for projects in the Housing and Economic Development categories will remain at the current funding levels;
